

1. While I buy the new ROM for my computer, it worked so slow.
2. The CPU, that I had to remove last week, was made five years ago.
3. When I was six years old, my parents buy cell-phone with black and white screen for me.
4. My electronic book was broken by guy, whom I met in the kitchen in my dormitory.
5. I can see only green color on my monitor because my roommate spilled coffee on my video card.
