A day in the life of a programmer

Watch the video and describe what he **is doing** at different times.

Mow fill in this chart, noting what Gyasi Linje **does** every day at each time of the day.

7:50 a.m.	He wakes up. After that, he brushes his teeth, washes up, packs his bag and puts shoes on.
8:40 a.m.	He leaves his home/crib
9:15 a.m.	He arrives at his workplace
9:25 a.m.	He checks email and eats breakfast
9:45 a.m.	He meets with interns
10:00 a.m.	He has a «standup meeting»
10:15 a.m.	He (s…) has time to coding
12:15 p.m.	He goes to the lunch
12:45 p.m.	He codes
2 something o'clock	He stretches his body
3:00 p.m.	He has making a chocolate milk
3:05 p.m.	He g (time to more code)
? p.m.	He plays with rubber ball
? p.m.	He dances a bit
4:00 p.m.	He draws some design
5:20 p.m.	He clocks out
5:30 p.m.	He picks up basketball
8:00 p.m.	He arrives at home
8:15 p.m.	He has a dinner
9:00 p.m.	He edits his code at coffee shop
? p.m.	He goes to bed

What **does** he **do** at 10:00 a.m.? At 12:45 p.m.? At 5:30 p.m.? And so on…
